## 01

### Discount to peers

**9.2x** 2025E EBITDA vs. a peer median of **10.7x**, despite in-line margins of 18.5%.

## 02

### Value of $45–55 per share

DCF, sum-of-the-parts, precedents and premiums paid: a **6–29%** premium to $42.50.

## 03

### Granite Arch at $52.00

Third proposal in eight weeks: **22%** premium to current, **32%** to the unaffected price.

## 04

### Strategics can pay more

With synergies, **six strategics** can pay $53–56 per share; sponsors are capped near $52.

RECOMMENDATION

**Do not grant exclusivity at $52.00: run a targeted two-stage auction with Granite Arch as the floor**

Board approval on 20-Oct; indicative offers due 11-Dec; final binding bids on 5-Mar-2027; signing by end-March.
